Additional grant of Rs 250 to the Engineers' Association.

Proceedings of the Government of His Highness the Maharaja of Mysor

Public Works Department.

Read:-

(1) Government Proceedings (P.W.) No. 234-6/1965-7 of the 9th March 1912, sanctioning a grant-in-aid of Rs 250 per annum to the Mysore Engineers' Association towards the purchase of books and periodicals.

(2) Letter No. 170 dated the 9th June 1916, from the Honorary Secretary, Mysore Engineers Association, requesting that Government may be moved to extend the concession, for two years more, of getting all the official publications of the Association printed free of cost at the Government Press.

Order No.2429-32 Dated Bangalore, 13th December 1916.

12472-75

In Government Proceedings No. G.13906-56/G.P.24-12-11 dated the 11th June 1915, it was considered desirable that some restriction should be placed on the work that could be printed at the Government Press and that the expenditure on printing should be kept within reasonable limits. It was accordingly ordered that the Association should endeavour to meet the cost of printing its proceedings, &c., from its funds.

2. As it is represented that the finances of the Association are at present too slender to fully bear the charges on account of printing and as it is doing useful work, Government have been pleased to sanction for two years commencing from 1st July 1916, an annual grant

of Rs 250 to the Association towards printing charges in addition to the present grant of Rs 250 made for books and periodicals.

3. The amount should be met out of the contingent grant of the Chief Engineer's office.

R V Sundaramma
